📍 Uttar Pradesh, India

EDUCATION

Lovely Professional University (LPU) <i>B.Tech in Computer Science and Engineering (AI Focus)</i>	Aug. 2025 – May 2029 (Expected) Punjab, India
K.L. International School (CBSE) – Class XII <i>Meerut, Uttar Pradesh</i> – Scored 73% with PCM (Physics, Chemistry, Mathematics)	2024
St. Mary's Academy (ICSE) – Class X <i>Meerut, Uttar Pradesh</i> – Secured 72% overall	2022

ACHIEVEMENTS

Capgemini Brand Quest 2025

- Selected participant in national-level branding competition (Round 1 scheduled Aug 2025).

Hackathons & Research

- Actively preparing for hackathons with focus on AI-driven solutions.
- Initiated research prototype “Eternis” – a voice-proctored AI model for exams.

SKILLS

Programming : Python (Intermediate), C (Basics), Java (Learning)
Tools : Git, Linux, AutoCAD, LaTeX
Domains : Artificial Intelligence, Data Structures, Competitive Programming
Creative Tech : Video Editing (Adobe Premiere Pro, After Effects, VFX)

PROJECTS

Eternis – Voice Proctored AI Model (Prototype) – Developed a prototype AI system for voice-proctored examinations, integrating Python speech-recognition libraries. – Demonstrated potential of AI in proctoring and academic integrity tools.	2025
Python Mini Projects – Created small projects (Calculator, File Organizer, Tic-Tac-Toe) to practice problem solving and OOP concepts.	2025
AutoCAD Course Project – Designed and modeled 2D/3D mechanical parts using AutoCAD as part of coursework.	2025
Video Editing Projects – Edited 50+ videos with professional transitions, motion graphics, and VFX. – Skilled in Adobe Premiere Pro and After Effects for advanced creative editing.	Ongoing
